Adjustable Shelf
for A/V Components

A versatile solution that not only looks great, but let’s you easily incorporate A/V components into virtually any environment. This flexible and space-saving shelf gets components organized and out of the way. It offers a low-profile solution that mounts to two studs allowing you to center the shelf and components under the screen, completing the picture-perfect installation.

**FEATURES**

- Double-stud installation allows A/V equipment to be centered directly underneath flat panel screen
- Adjustable width up to 18” and depth range of 15” to 23” accommodate even largest receivers, multi-disk DVD players
- Decorative snap-on covers conceal all mounting hardware
- Adjustment knobs allows for easy leveling of components
- Embossed arms with screw holes secure components to shelf
- 100lb (45kg) load capacity allows stacking of multiple components, ideal for A/V closets

**SLEEK AESTHETIC**
