**Primacoustic Cloud Paintables™
 ...looking great, sounding better!**

Easy and quick to put up, Primacoustic Paintables™ acoustic clouds can turn an uncomfortably reverberant room into a great sounding intimate space in no time at all. A variety of paintable panel shapes and sizes give your installs an air of architectural sophistication and fun!

PROTECT SECURITY DEVICES, POWER BACKUPS

Installed EB1212BP with Back Plate

Arlington's OUTDOOR RATED enclosure boxes protect and secure power backups, security devices and other valuable equipment.

- Heavy-duty, UV rated gray or black material
- 12" x 12" x 4" with or without a backplate. Back plate...for easy maintenance and component mounting after box is installed
- Meets NEMA 3R requirements
