

**WHO:**

Peerless-AV®, the leader in innovative audio and video solutions and accessories

**WHAT:**

Peerless-AV will showcase its Ligature Resistant Display Enclosures and SmartMount® line at The Grainger Show.

The Grainger Show brings together hundreds of top suppliers and decision-makers in healthcare, hospitality, entertainment, manufacturing, and more to demonstrate products to customers and employees. The show helps attendees to improve facility efficiency, consumer/patient experience, and emergency readiness.

**WHERE:**

Booth 2023 at the Orange County Convention Center  
9400 Universal Boulevard in Orlando, Fla.

**WHEN:**

February 8-12, 2016

**WHY:**

Ideal for hospitals and medical centers, the Peerless-AV Ligature Resistant Display Enclosure (K62232-S-GR01 and K65225-S-GR01) is designed and manufactured with safety in mind, protecting both patients and facility equipment.

The sloped top design, the preferred design for mental health wards, is mounted flush to the wall and prevents tampering, theft, and damage to displays. Additionally, the electrical and cable TV outlets can be protected by the cover, keeping wires and cables away from patients.

Peerless-AV will also showcase its SmartMount® mounts. From quick-release functionality and One-Touch™ tilt mechanisms to theft-resistant hardware, the line offers a variety of features ideal for settings where aesthetics are key and installation and servicing must be quick and efficient.
